Subject: Our Maronite Week

Dear parishioners and friends,

I hope you are doing well.

Please, let us all pray for all the earthquake victims in Haiti, it is very devastating for them at this time.

The archbishop of San Francisco asked for a second collection toward the victims of Haiti.

Let us pray too, for all the sick and hospitalized in our community, one Our Father, Hail Mary, and Glory, at 9:00pm every evening (or whenever we remember).

(It was great to go, and have a spiritual retreat with all my brother priests and our bishop.)

For more information, please, see the church bulletin in the link below:
